Post-secondary and Supporting IEP Goals Examples

Sally's Post-secondary Goal:

Within one year of graduating from high school, Sally will attend a 2- or 4-year college of her choice to pursue a career in music education.

Supporting IEP Goals:

- 1. By the end of her senior year, given support from her case manager and school counselor, Sally will research admission requirements and complete an application at two 2- or 4-year colleges that offer degrees in music education.*
- 2. By the end of her senior year, given support from her case manager and school counselor, Sally will make appointments and tour two 2- or 4-year colleges of her choice.*
- 3. By the end of her senior year, given explicit instruction and opportunity to rehearse, Sally will practice self-advocacy skills by discussing her accommodations with all her teachers of record.*
